

DOT Sponsored Conferences Over \$100K

Fiscal Year 2016

Name of Event	Location	Dates	Brief Explanation of How the Conference Enhanced the Agency's Mission	Total Number of Individuals Whose Travel Expenses Were Paid by the Agency	Total Conference Expenses
FHWA Annual Fall Business Meeting	Arlington, VA	September 13-16, 2016	The Annual Fall Business Meeting provides an opportunity for the leadership of the Agency to meet face to face to discuss and make decisions on high level corporate matters, including program stewardship and oversight, fiscal accountability, strategic planning and reauthorization legislation. The meeting also serves as an opportunity for the Administrator to engage with FHWA staff to provide a vision for the Agency.	144	\$210,625
FMCSA National Motor Carrier Safety Assistance Program Planning Meeting	St. Louis, MO	March 24-26, 2016	Federal Motor Carrier Safety Administration's State Programs Division and Grants Management Office provide training to Federal and State personnel at this meeting. Training will cover important programmatic changes, grants management information, and discussions surrounding the implementation of the Fixing America's Surface Transportation Act.	119	154,374

FMCSA Commercial Driver's License Coordinators and Information Technology Managers Meeting	Chicago, IL	April 26-28, 2016	This annual meeting is necessary for Federal Motor Carrier Safety Administration personnel to meet with State Driver's License Agency (SDLA), Commercial Driver's License (CDL) program coordinators, IT Managers and FMCSA field personnel who are responsible for oversight of their State's CDL program. This meeting assists the states in meeting the CDL regulatory requirements, including Moving Ahead for Progress in the 21 st Century and the Fixing America's Surface Transportation Act.	72	115,770
NHTSA Lifesavers Conference	Long Beach, CA	April 3-5, 2016	Lifesaver is one of the largest, most diverse and most important behavioral highway safety conference that attracts over 2,000 participants. A broad range of researchers, safety advocates and practitioners come together to discuss, share and disseminate research on traffic safety programs and strategies, and to promote the adoption of evidence-based countermeasures. NHTSA participants make presentations on highway, pedestrian safety, distracted driving, child passenger safety, occupant protection, impaired driving and motorcycle safety.	21	119,463
OST U.S. China Transportation Forum	Los Angeles, CA	May 31- June 3,2016	The Transportation Forum brought together more than 150 U.S. and Chinese transportation officials and industry representatives from policy, highway, rail, transit, maritime and aviation sectors. Through multiple workshops and working group meetings, participants exchanged ideas and perspectives on common transportation related issues in multiple sessions throughout the week.	25	137,864
FTA Annual Capital Project Management Workshop	Washington, DC	June 27-30, 2016	This workshop brings together FTA engineers, transportation specialists, and FTA's project management oversight contractors, to provide training on project development, design, engineering, safety, and other topics critical to the Government's effective oversight of Federally funded transit capital projects.	45	105,291
